The Academic Difference

As a college preparatory high school that boasts a 100% college acceptance rate among its graduates, Advanced Placement courses, college-level courses, a Virtual High School for distance learning courses, and millions of dollars earned in scholarships each year, Saint Joseph Regional has earned a reputation for academic excellence in northern New Jersey.

The SJR curriculum is designed to create well-rounded students who are challenged every minute of the day. It consists of four academic programs: College Preparatory, Accelerated, High Honors and Advanced Placement. Highly motivated students can earn college credits through an ongoing partnership with Saint Peter's College.
